Please be informed that the University administration will not call nor send messages requesting students to make payments or send money through such means.

Students and staff are therefore advised to disregard any such messages and refrain from sending money or sharing personal information in response to them.

The University wishes to remind all students that academic success requires students to take responsibility for their studies and comply with all academic requirements and procedures.

Students are expected to:

- Register their semester courses within the stipulated period.
- Attend classes regularly.
- Complete and submit all assignments.
