#### Mandatory Course Registration for Eligibility to Write End-of-Semester Examinations

Dear Students,

Management wishes to remind all students of the importance of **Registering their Courses** at the beginning of **each Semester**.

Effective the current **Second Semester of the 2025/2026 Academic Year**, only students who have duly registered their courses within the stipulated registration period will be eligible to sit for the End-of-Semester Examinations. Students who fail to complete their Course Registration will not be permitted to write the Examinations for the affected semester.

Students are therefore advised to ensure that all Registration Requirements are completed on time and that they verify the successful registration of their courses before the deadline of 20<sup>th</sup> July 2026.

This measure is intended to promote proper Academic Record Management and ensure compliance with institutional regulations.

Management counts on your cooperation and urges all students to take note of this directive and act accordingly.

Thank you.

AG. VICE CHANCELLOR.
