

NOTICE TO ALL STUDENTS ON COURSE REGISTRATION AND END OF FIRST SEMESTER EXAMINATION

All students are hereby informed that the University's ERP Systems shall be closed for **Course Registration** at 5:00p.m on Thursday, 4th April, 2024. This closure is necessary to provide the Teaching and Examinations Department with sufficient time to generate attendance register for the upcoming **End of Semester Examination**.

Consequently, we strongly urge students who have not yet paid the outstanding balances of their fees and registered for their courses for the first semester of 2023/2024 academic year to complete their registration before the specified deadline.

Students who fail to adhere to this directive shall **NOT** be allowed to take the end of semester examination, leading to forfeiture of the entire semester. Further, students in this situation shall be required to settle the semester's fees before being permitted to defer the semester. Thank you.
